26mm DEKS EPDM Washer
- 14g x 65mm with  
26mm DEKS EPDM Washer

**RECOMMENDED FOR FIXING:**

**FIBREGLASS AND POLYCARBONATE  
PROFILED ROOF SHEETING.**

**NO PRE-DRILLING REQUIRED**

**FASTER INSTALLATION!**

▪ PAILS OF 60 ▪ TRADE PACKS OF 500

# MULTIPURPOSE FASTENERS

**SUITABLE FOR HIGH WIND ZONES**

## **FIXING INSTRUCTIONS**

- Allow 7 fasteners per lineal metre of sheeting.
- Built in cutting device oversizes the roof sheet penetration, eliminating the requirement to pre-drill an expansion hole.
- Pre-assembled translucent sheeting fasteners.
- Suitable for fastening all fibreglass, polycarbonate and PVC roofing to timber and thin metal purlins.
- Fully compliant with AS3566.
